DATA SHEET

Card Reader IDE 44pin female to Compact Flash horizontal

Description

This Card Reader by Delock enables the application of a Compact Flash card via 44pin IDE interface. Since this Card Reader is bootable you can also use it as HDD and install a operating system. The angled design enables you to plug the Card reader directly to a free IDE male port of your motherboard in horizontal direction. Thus you do not require any additional connecting cable.

Ref. 91646

EAN 4046319916467
